

Gordon Bewhay Trophy - result

The Gordon Bewhay Trophy was held on yet another sunny and warm July Sunday afternoon. The competition was 2 x one hour games and contested by 10 triples teams. It was good to see several of our new members taking part on this occasion.

On a green which was running well, in spite of the dry conditions, there were some closely contested games.

Four teams won both of their games so the result was down to shot difference. Finishing in second place, and on countback of ends won, with 4 points and a +9 shot difference, was the team skipped by Jenny Rabet, together with Frank Le Poidevin and Anne Chamier.

However, with 4 points and a shot difference of +15, was the team of Pat De Gruchy, Enid De Gruchy and Keith Chapman. The trophy was presented by Pauline Perchard, daughter of Gordon Bewhay, and her brother John.

Congratulations to all who took part and to all those who helped with the smooth running of the competition.
