

Liberation Day Competition 2018.

On a somewhat chilly Liberation Day, 10 teams of triples turned out to contest the 'Margaret and Garnet Hafey Trophy' on a green which was running really well. As it was Liberation Day, the dress code was 'red, white and blue' and it was good to see all the players making the effort to dress accordingly. And so it was a very colourful afternoon on the green!

Five of the 10 teams won 2 of their 4 games, one team won 3 and one team won all 4!

The runners-up, playing as a pair due an absent bowler not notifying the Competition Committee, were Maurice Andrieux and Ray Poucher, who finished the day with 6 points and a +10 shot difference.

However, the winners for 2018 and unbeaten in all four of their games, was the team of Jackie Knight, Peter Davis and Margaret Osmont, who achieved 8 points and a +18 shot difference.

Many thanks and congratulations to all who took part in this annual competition and helped to make the day a success.
