

Roy Dupre result

The Roy Dupre Trophy 2018 was contested between 14 triples teams on a mostly bright, but at time chilly, Sunday afternoon. It was good to see all 7 rinks being used for this competition.

Three 50 minute games were the order of the day on this occasion, played on a green which was running well but had some quirky lines!

Achieving 5 points from their 3 games, the team of Maurice Andrieux, Colin de Ste Croix and Anne Chamier took the runner's up spot, just pipping on shot difference the team of Phil Bichard, Frank Le Poidevin and Monica De Gruchy.

The overall winners, and the only team to win all 3 games, was the team of Margaret Le Sueur, Adrian Atkinson and Margaret Le Cornu (pictured above).

Congratulations to all those who took part and made the afternoon a success.
