

St Saviour's Pairs

This annual competition took place on Thursday 24th May at St Saviour's Bowls Club on a bright, sunny but breezy evening. The competition comprises of 7 mixed pairs from each club playing 18 ends and is a keenly contested and valued fixture between our two clubs each year.

Played on a green which was running well, the result could not have been closer, and saw the hosts just edging past the visitors by winning 4 rinks to 3. All 7 rinks were played in the true spirit of the game – competitive but friendly – and the evening was enjoyed by all.

Special thanks must go to the Committee and members of St Saviour's for their warm welcome and hospitality on the night, and also to those appreciative supporters from both clubs who came along to offer their support for all the players.

Thank you to Tony and Margaret Osmont for being there as subs for the Sun and stepping in to play at the very last minute in unfortunate circumstances. Thank you also to those who looked after Jackie after the incident in the car park. It is good to be able to report that she has been 'glued back together' and - apart from feeling a little shaken today – is otherwise ok. We wish her well.
