

Phil and Mary Le Quesne Trophy

Phil and Mary Le Quesne first donated their trophy as an 'adult/child' trophy which was contested over several years when we had a junior section. When the Juniors matured, the trophy was sued for Captain's Day. This year, the trophy was contested in its own right as an all day Sunday Competition in traditional format.

And so it was that 12 triples teams took to the green at the start of the day for 4 x 1 hour games. The conditions were cool but calm at the start of the day but the temperature improved as the day went on. As ever, there were some keenly contested games and some good banter between the players and the rinks.

At the end of the day, there was only one team who managed 4 straight wins. And so the winners were Jackie Knight, Jan Huet, Dot Uniacke and Terri Boss-Andrieux (the latter 2 players playing a half day each), who scored 8 points and +26 shot difference. They are pictured above together with Phil and Mary Le Quesne.

The runners-up, with 6 points and a +29 shot difference were Greg Davis, Mary Le Quesne/Eileen Attenborough and Blake Albert.

Tea and cake – and drinks! – followed at the end of the games to round off a very enjoyable day on a green which was running well.
