

Dubois Charity Shield

The Dubois Charity Shield is our annual charity event when we raise money for the charity voted for by members at our AGM. This year 'Jersey Hospice Care' was the charity of choice and so all the proceeds of the day – rink fees and raffle money, together with the wrong bias pot and the 'tips' jar on the bar - are added together to be donated. This year, the money totalled an impressive £446. Thanks must go to everyone who supported the event in whatever way.

The competition itself took place on a glorious sunny afternoon. 12 triples teams took part in 3 x 50 minutes games, although the last game was shortened to 30 minutes due to the heat.

Two of those teams won all 3 of their games and so the final result came down to shot difference. Finishing in 2nd place, with 6 points and +9 shot difference was the team of Peter Davis (skip), Enid De Gruchy and Rod De Gruchy.

But with 6 points and an impressive +20 shot difference was the team of Terry Le Mottee (skip), Margaret Osmont and Karen Le Cornu (pictured above). Congratulations to them and to all who took part.
