

## Gordon Bewhay Trophy - result

The Gordon Bewhay Trophy was presented to the Sun Bowls Club by his family in recognition of the time and enjoyment that Gordon got from bowls after he gave up tennis. Such was his dedication to the game that he became a top bowler in the Island and went on to represent Jersey at Commonwealth Games level on more than one occasion.

On yet another sunny Sunday afternoon, 10 triples teams contested for the trophy over 2 x 1 hour games. There were 3 teams who finished the afternoon with 2 wins apiece, and so the result was down to shot difference. And it could not have been closer!

Finishing in second place, with a shot difference of +10, was the team of Peter Davis (skip) Margaret Osmont and Alan Booth.

However, with a shot difference of +11, the winners were the team of Paul Whelan (skip), Ray Lloyd and Terri Boss-Andrieux.

Pictured above are the winning team, together with Pauline Perchard and John Bewhay (Gordon's daughter and son), who kindly presented the trophy at the end of the afternoon.

Tea and cake in the clubhouse followed at the end of the games to round off an enjoyable afternoon on the green.
