

JBC v Sun friendly

Played on what was for some, a tricky green, JBC hosted Sun bowlers this afternoon in the annual friendly competition. In glorious conditions, 6 rinks of fours took to the green to play for the 'honours'. Although competitive, the games were played out in the true spirit of the game and a good time was had by all.

After the game, it was clear that the visitors had triumphed over the hosts. The score was not important - for some. But for the record, the visitors won by 4 rinks to 2 and with a shot difference of 102 to 70! But it was the taking part that mattered honestly!!

Many thanks to our hosts for their welcome and their hospitality. We look forward to the return fixture next year!
