

Closing Day Competition (Roy Cornwall Trophy) - result

And so another season comes to an end. But what a season it has been! Our final Sunday Competition was the Roy Cornwall Trophy for Closing Day. Although the forecast was not looking favourable, we were very lucky this year to get all four 1 hour games played before the weather changed. Last year we were washed out after about 45 minutes!

14 triples teams contested this trophy on a green that was running exceptionally well and possibly at its best as we reached the conclusion of the 2019 season. And that is a huge credit to Bob and his team for maintaining our playing surface to such a high standard throughout the year.

Of the 14 teams, three won 3 of their 4 matches and finished on 6 points. But two teams won all 4 of their games and finished on 8 points. And so the result was down to shot difference.

Finishing in the Runners-up position with 8 points and +9 shot difference was the team led by Sue Cockle, together with Kevin Andrieux and Mary Le Quesne/Jack Vowden.

But the overall winners, with a shot difference of +17, was team skipped by Tony Osmont, alongside Alan Le Sueur and Margaret Le Cornu/Jenny Rimeur (pictured above). Congratulations to them all.

It was good to see so many turn out for this Closing Day competition, but especially good to see two of our Juniors taking part in the afternoon session. Well done to Jack Vowden and Libby Ellis – both of whom are surely stars of the future on the bowls green!
