We can tailor your groups on green experience to suit your tastes.

Your group can play bowls in the traditional format in a series of challenge games ultimately crowning the winner.

Alternatively, why don't you let us lay the green out with upto 8 individual challenges designed to capture the imagination and allow players of all abilities to score some points!

Speak to us at the time of booking so we can agree the best option for you!

# TOAST THE WINNERS!

A champagne bottle is shown in a dynamic, celebratory pose. The cork has just popped, and a large splash of champagne is erupting from the neck of the bottle. The cork itself is suspended in mid-air, surrounded by a spray of liquid droplets. The background is a soft, out-of-focus bokeh of light green and yellow circles, suggesting a festive or outdoor setting. The overall mood is one of joy and celebration. The text is overlaid on the right side of the image.

How about rounding off your time on the green with a celebration?

For £55, we'll provide a bottle of Champagne for your winner, or winning team, to enjoy.

Make an occasion of it, and give them something to play for!
